

Early American History Timeline

Correlating Video: *The First Americans*

<https://virtualfieldtrips.org/grade-3-the-first-americans/>

Activity:

- Students will complete the timeline using details they gather on their virtual field trip

Extension Ideas:

- Have students draw pictures that illustrate the events on the timeline
- Have students research specific key dates/events within the years provided
- Have students select one time period on the timeline to research more

Don't forget:

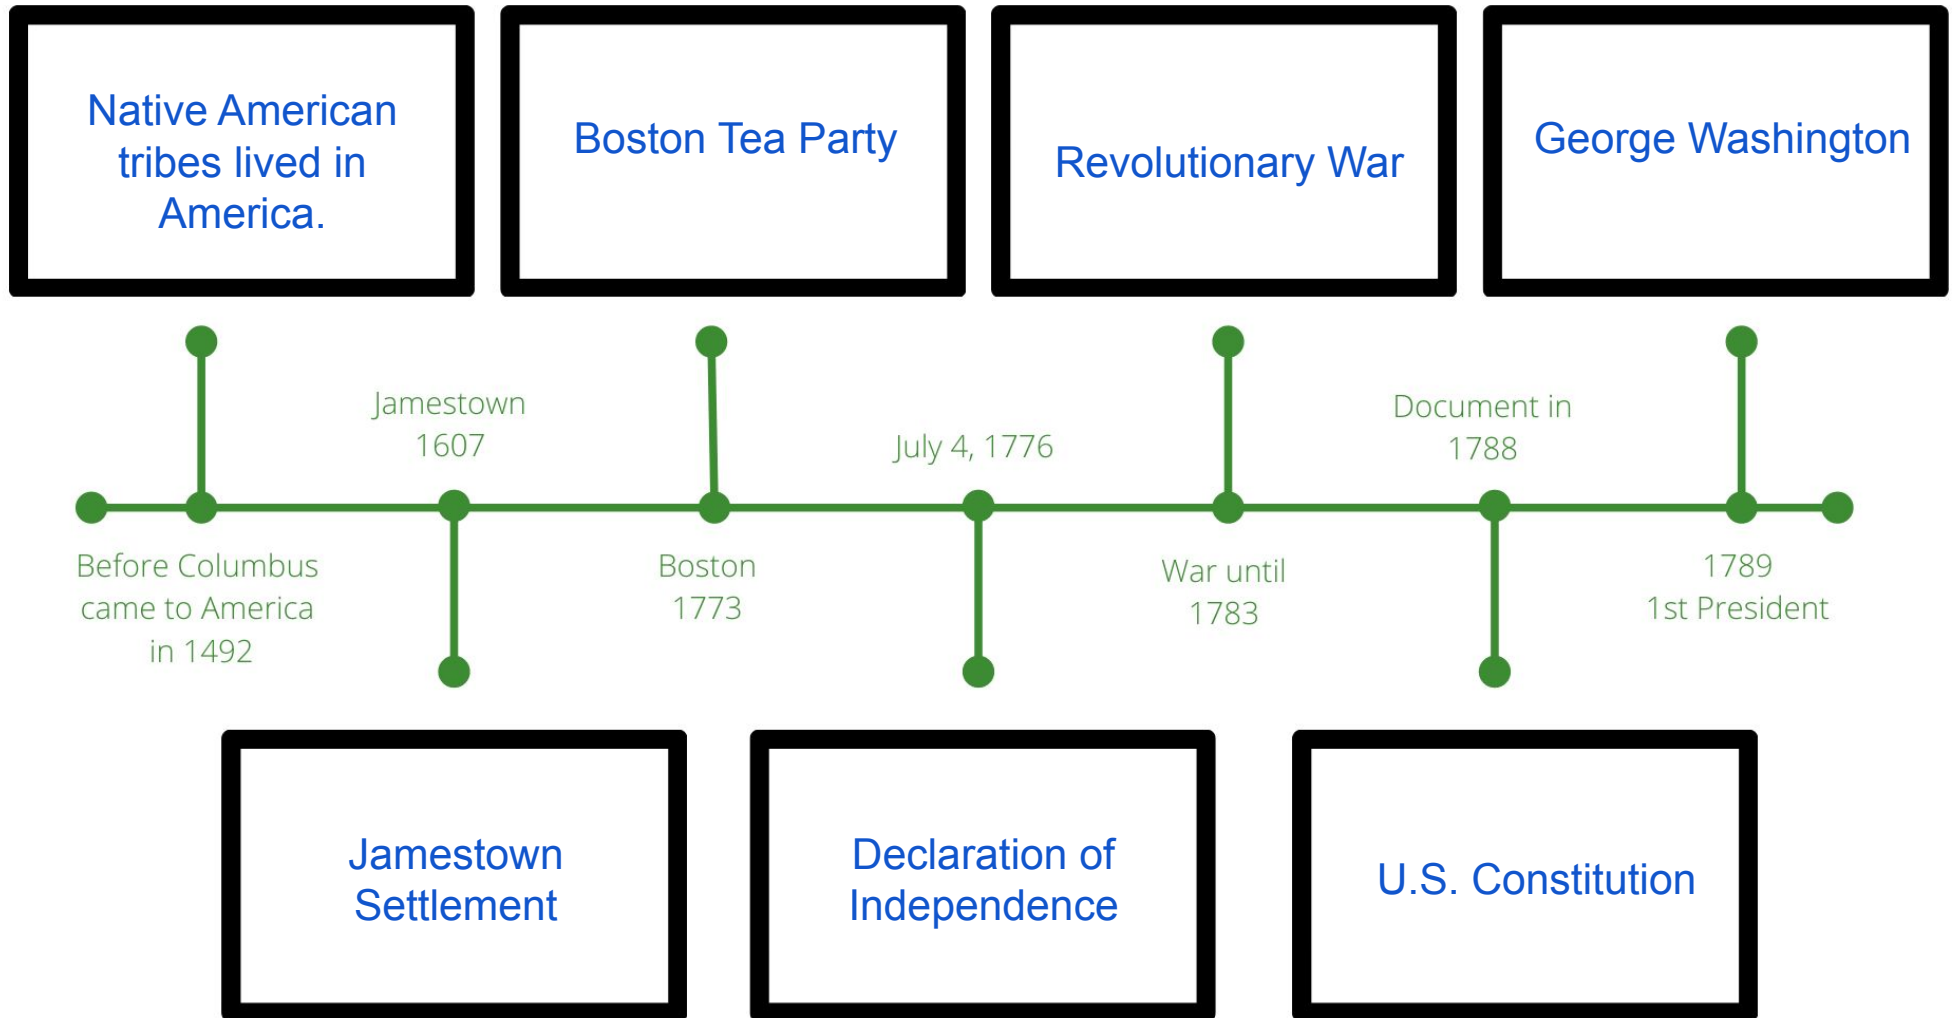

Make a copy of this presentation and delete slides 1 and 2 before assigning to your students or print just slide 3 for student use.
