

RAINFOREST THREATS

MATCH EACH WORD TO ITS DESCRIPTION.

THEN USE THE LETTER IN EACH CIRCLE TO COMPLETE THE MYSTERY WORD.

1. When people pay money to keep the forests just as they are so they can be visited

--	--	--	--	--	--	--	--	--	--	--

2. Dug out from trees, these are used by people to visit other villages

--	--	--	--	--	--

3. The people who have lived in the rainforest for centuries

--	--	--	--	--	--	--	--	--	--	--

4. A two-way relationship

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

5. A species of plant or animal that is gone forever

--	--	--	--	--	--	--	--	--	--	--

6. These kinds of groups are helping protect plants, animals, and the people that live in rainforests

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

7. These are resources that are not in danger of running out

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

8. Sap found in the rubber tree used to make rubber products

--	--	--	--	--	--	--	--	--	--	--

9. The cutting down of trees, which is the largest threat to the Amazon

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

People get 25% of these from the chemicals found in rainforests. What do people get?
